Budget

The VBCN will make available a maximum of €20,000 in total, including the incentive price of €5,000 and including VAT. The VBCN budget includes the following costs, if applicable: transport, insurance, hours of construction team and construction materials, artists' fees and production costs in the case of assignments, rental equipment, production costs of publication, exhibition texts, texts of external writers, promotional costs, hospitality opening, reporting photography etc. If a larger budget is required, this should be done by means of fundraising to be achieved by the participant. The proposal must remain feasible if the funds do not honor the applications. We only ask for a balanced budget once your concept has been selected for the second round. The budget must then indicate which parts of the project are dependent on obtaining additional financial resources.
